

Winter flurries bring spring worries. Get covered with flood insurance.

Snow-capped mountains are great for skiing, but they may also mean your home is at risk for spring flooding when the snow melts.

In fact, just one inch of flood water can cause more than \$25,000 in damage to your home. Before warmer weather arrives, protect yourself from potential financial devastation—invest in a flood insurance policy today.

Call your insurance agent today, or learn more at **FloodSmart.gov**.
